Product Description

Easy Green is formulated to be an all-purpose degreasing and cleaning agent with a wide variety of uses ranging from general use to commercial and industrial applications. Deck brushing as necessary to prevent heavily polymerized surfaces.

Easy Green is a unique blend of surfactants, solubilizers and emulsifying compounds which act to break up oils and grease into tiny fractions and to keep those fractions in solution for a residue-free surface after rinsing. Its' penetrating action allows it to effectively clean all types of surfaces.

Easy Green Degreaser/Cleaner has the advantage of being a non-hazardous, non-toxic, non-flammable and biodegradable concentrate which does not contain Butyl cellusolve or phosphates.

Easy Green has been formulated to meet the requirements for approval by the U.S.D.A. for use in federally inspected facilities and incidental contact situations.

Suggested uses

- Floors: tile, vinyl, wood, etc.
- Walls - remove grease & nicotine
- Ceiling tile - remove grease & nicotine
- Grease traps
- Hoods and Vents
- Degreasing floor mats
- 3 compartment sink
- Grill stands
- Grill sides
- Oil & gasoline spills
- Driveways

Composition and Materials

A highly concentrated blend of surfactants, solubilizers and emulsification agents. Easy Green must be diluted with water prior to use.

Limitations

Easy Green should not be used without dilution. Do not use undiluted on vinyl or plastic surfaces as permanent spotting may occur.

Do not mix Easy Green with any other chemicals. Use hot water to dilute in accordance with application instructions.

Technical Data

Dilutant: Water	Cleanup: Water
Toxicity: None	Odor: None
Flammability: None	Color: Green
Freeze Harm: None	pH: 8
Freeze Temperature: 32 degrees F	
Boiling point: 212 degrees F	
Specific Gravity: 1.056	
Shelf life: 5 years	

Shipping – non hazardous

Application Directions

Preparatory work: Thorough dust mopping or sweeping to remove loose debris prior to cleaning surface.

Daily Floor Cleaning: Kitchens - Mix 1 oz. of Easy Green per gallon of hot water and apply with a mop. Deck brushing and rinsing as required.

Heavy Grease Cleaning: Mix 3 - 4 oz. of Easy Green per gallon of hot water and apply with a mop. Deck brushing and rinsing may be necessary with heavy spills.

Automatic Scrubbers

Use red or white scrub pads

Use the same dilutions as above.

Easy Green Degreaser/Cleaner

For Optimum Results

- DO NOT mix with other chemicals
- Use Easy Green as a daily cleaning program

WARRANTY

All products are warranted to be of the highest quality and to conform to the manufacturer's quality standards when shipped. All statements and recommendations are based on experience and information believed to be reliable. The manufacturer's sole obligation shall be to replace such quantity of product as is proved to be defective. The use and application of this product, being beyond the use and control of the manufacturer, the manufacturer makes no warranty, express or implied as to results or hazards from use. The Manufacturer shall not be liable for any injury, loss, damage or claim, either direct, indirect, incidental or consequential arising from the use or inability to use the product. The suitability, risk and liability whatsoever of a product for an intended use shall be solely up to the user.
